ANNUAL DINNER

Please note that this years Annual Dinner date has changed. The date is now Friday the 26th of September. Put it in your little black book (especially you AJ!). Names will be taken early next month, please keep in mind that once you have committed - you must pay whether you attend or not. Unfortunately once the numbers are given to our caterers - the club is charged!

LIFE MEMBERS

Nominations have been submitted this year for the club to consider a number of people as Life Members of the club. The nominated individuals will be looked at and if they are considered to meet the specified criteria, it will then be taken to the club to vote on, as stated in the constitution. A Life membership is awarded to a member as a mark of respect of there unconditional dedication to our club. A minimum of 15 years service both on and of the field must be done before even being considered. 15 years of simply playing would still not meet criteria - It must also include service above and beyond normal duties - for example - coaching, committee member etc. A life member of the club has red and white blood! It is on these principles that we ask you as members to read carefully the nomination slips when they become available. Vote on the true merit of these people, not necessarily for who they are.

Committee & Executives 2004

Please consider who you would like to see represent the club for the 2004 season. Nomination forms for all positions will be available at the vote count.
