PRES SAYS...

The 2003 season is well and truly upon us with the club fielding 10 teams from Under 13 Boys to Coastal Women and Greater Northern Men. Numbers are down for A Reserve women and Under 18 Men so if anyone can help out by finding some extra players or friends it would be greatly appreciated.

It is certainly an encouraging sign to see the Division 1 Men - 2 points clear on the ladder after 4 matches. Lets hope they can achieve a great final result this year. Last year we fielded teams in the finals in ALL DIVISIONS, it will be hard to beat that this year but with the usual City Marians enthusiasm and vigor I feel that we should be able to equal that.

Sponsorship is shaping up well but we can always do with some more financial support to enable the committee to keep

your subs-and match payments down to the low level as it currently is.

The wood drive will hopefully be on again this year with a couple of phone calls to finalize everything in that area

Many thanks for the people that have offered, or been pushed into coaching positions this year. Our teams would not be teams without you!

That will do for this newsletter report. I am sure that the pressure will be on for another report in a few months.

500th GAME

Congratulation to a true sporting and Club Legend - Brett 'Rosey' Rowsthorn who's next game will be his 500th. To make 500 games in any sport is an achievement - not to mention the countless hours that Rosey has put into the club over the years through his work coaching, umpiring and being a part of previous committees. Well done Rosey!
