

SEASON 05

Welcome to season 05. It's like just last week we were packing up our gear from last season, and already its time to get it out of the cupboard again.

Enjoy!

MISSING

Missing in action - not one, but two Premiership cups belonging to Div 2. The 'official' cup was awarded to our premiership team in 2003 while the 'claytons' cup was awarded last year - the whereabouts of either cup is unknown.

CLUB MEETING

The next club meeting will be held on April 26th - 7pm at McKenna Park. Any member of the club is more than welcome to attend. If you're unable to make club meetings but would still like to know what's happening, let us know your e-mail address and we can forward the minutes from each meeting.

PHYSIO REQUIERMENTS

Coastal Physiotherapy has sent the club a letter with an offer to all members of the club for discounted appointments and medical supplies such as tapes. Just mention that you're a member of City Marians to take them up on the offer if required.

SOCIAL CLUB

Interested in helping with social functions? Time to get the ball rolling with social functions and events for the year. Please see Peewee ASAP if interested in being a part of this sub-committee

REQUIRED URGENTLY

Goalies required male and female. Luke Sayer informs us that it's the best position on the field (a little biased I think)! All gear provided plus expert one on one tuition. Please see Luke if you can help us to fill a spot.

WEBSITES

Not one - but two website to surf for you. Not only is the new North West Hockey website up and running, but the club website is now up and running too. Check out the following links:-

POSITIONS VACANT

Urgently required - A Grade women Coach for game days and Training Coach for A Grade and A Reserve women
Please see Geoff Hyland if you can help this great bunch of girls!

UNIFORMS

Please see Alison Lamprey for any requirements regarding uniforms. Playing shirts with numbers are about to be ordered - cost is \$42 per shirt. A set of shirts has been purchased for the under 15's with the option available to them to 'hire' the shirts for the season for \$10, thus keeping the cost at a minimum for our juniors

A RESERVE/A GRADE CONTACTS

Could the women playing in these teams please ensure they notify either Luke or Janine if unavailable at any stage for games. Selections are done Thursday nights to be put in Friday's Advocate, so preferably before then. Their numbers are located on the back of this newsletter

UMPIRES

Please ensure Friday's Advocate or the Hockey NW website for GNL games is checked each week for umpiring appointments. Once allocated it is your responsibility to find a suitable replacement if you're unavailable. Failure to umpire allocated games unfortunately results in a match suspension. Although not a job that any of us like - its one that just has to be done.

The target groups for these sessions will be those players wanting to stand for the Burnie U13 and U15 teams
