

CITY MARIANS HOCKEY CLUB WOULD
LIKE TO SINCERELY THANK ALL OUR
VALUED SPONSORS FOR SEASON 2003

- N.W Mowers
- Cleaning Wizard
- Dial Motors
- Chris Dobson Optometrist
- Groves Earthmoving
- Burnie Print 'N' Design
- Burnie Veterinary Centre

City Marians Hockey club would like to take this opportunity to thank you
all for attending tonight and wish you a most enjoyable evening.

Thank you to all the sponsors, parents, players and supporters for your
commitment to our club throughout the season.

PRESIDENT' S REPORT

Congratulations! 10 out of 10. All our 10 teams reached the finals.

A truly magnificent effort and my thanks go to ALL players, coaches and supporters for their tremendous effort and perseverance during the year. This must be some sort of record.

Of the 10 teams, 6 finished as minor premiers and 4 came up and won grand finals. This indicates the current strength of the club from our juniors to our seniors in both men and women and girls and boys.

To our supporters many thanks, it is certainly encouraging to hear not only supportive comments from the sidelines but the humorous ones when some of us make our little mistakes.

To the committee, my many thanks for your genuine discussions, comments and input not only during committee meetings but also other times during the season when decisions had to be made. It is very pleasing to note that our club does adhere to rules that have been made by current or past committees unlike the issue that arose the week before the div 1 men's final. I believe that one reason that has made life easy for me for the past three years is that the members of the committee have all wanted to be on the committee to help the club and not just been there because of lack of volunteers.

Secretary Ally. Once again thank you for the ever reliable and thorough job you have done this year. As in the previous 2 years you have given me tremendous support in my role as president, you had all that info that I ever asked for at your fingertips, you have written those letters better than I could have, and as usual you always reminded me of the many commitments that I had forgotten about. Many thanks Ally I would have been lost without you.

Treasurer Sue. You came from yonder club, took on the role of banker and kept us very informed with treasurer reports each meeting. If financial jobs needed to be done, if subs needed to be chased up, you didn't need to be asked - you just did them. Many thanks Sue.

Whilst on finances, Sue reminded me on a couple of occasions that if it were not for our club sponsors we would have to increase our fees to keep the club financial. Our problem is that we have many players playing in 2 or even 3 teams each week but we only charge 1 lot of subs. It is an issue that CMHC should take up with the association.

That brings me to our sponsors. Three years ago a few of our members suggested and took up the challenge to find club sponsors, and find them they did. Most of the original sponsors are currently still supporting the club, which indicates that we must be providing them with some value for their money.

To Ian & Shirley Gillam & Cleaning Wizard,
Ally & Tony Lamprey & Dial Motors,
Burnie Veterinary Service,
Groves Earthmoving,
Chris Dobson Optometrist,
Greame Thorp's Sportspower,
7BU,
Burnie Print and Design
North West Mowers,

My sincere thanks for you're your valued support and confidence in what we would agree is a truly great club.

Jason & Petrina you have kept the club very well informed with your newsletters and I thank you greatly for not only producing them on paper but also sending them via email.

To my wife, Christine thank you for your support for the last 3 years and for coaching the div 3 squad to their last 2 premierships.

This is my 3rd year as president of CMHC and their rules state that a president can only stand for 3 consecutive years. I will gladly abide by their rules and stand down at the next AGM and I know that I will enjoy the break. I can only say thanks for the many enjoyable experiences that the club has given me during these 3 years as president. I also certainly appreciate the learning experience from the mistakes that I made. Once again I would like to thank you all for the confidence you had in me in allowing me to be at the helm of a truly great club for 3 years.

Balt

COACHES REPORTS

COASTAL WOMEN

Coastal women started with several forced changes to personnel giving other players a chance to impress. After a strong pre season at Marist the team started positively with a good win. Throughout the year the team at times lacked consistency, however always maintained a positive attitude and worked as hard as any side playing in the competition.

The potential and explosiveness of the team was shown through two solid wins over a higher ranked team. When under pressure to make the four the team pulled together to dispose of the rivals showing the ability to focus and raise their game to a higher level.

Several younger players were given some playing time, however not as much as I would have liked mainly due to constraints. The potential of these players is exciting and should strongly compliment the core of the coastal team.

The coastal team should look forward to being extremely competitive in the next four years and will play exciting, positive hockey.

Special thanks to our loyal core of supporters.

Michael Tolland

A-GRADE WOMEN

The A Grade women's team finished the season in 4th place after some good games against strong opposition. Many of the outcomes did not reflect the performance of the team who continually displayed good teamwork, worked hard, showed improvement and some great potential.

I would like to thank the girls for their cooperation, support and especially for their positive attitudes despite some very difficult playing conditions and circumstances. A special mention must go to those who also gave time to play with Coastal and still put in solid efforts in their A Grade games.

Jacqui Tolland

A RESERVE

Our A Reserve team had their usual erratic start to the year as players came and went, and often it was only due to Dougies tireless work on the phone that we managed to field a team. As the season progressed the team began to find its feet, with some new additions joining the basics of last years team to combine for what was a potent combination. Jill Cock's move to pull on the pads was a very welcome one, which also brought daughter Fiona up to A reserve, filling out the younger ranks along with Dayner, Anna, Therese and Mel. They gave the side plenty of bite to combine well with the experience of Dougie, Shelley and Janet. Throw in Carla, Amy, Lisa and our two super wings, Juanita and Ali, and it was a good combination. The team finished the year on top of the ladder and were only denied a straight run into the final by terrible weather on semi-final day, going down to arch rivals Brooklyn by a goal. Come grand final day though and the girls were determined to finish on top, and despite a slow start in the game, they came through with the goods in extra time for a well deserved win. A big thank you to all the extras that filled in during the season, and congratulations to the girls on a top year. Look out in 2004.

Luke Sayer

UNDER 18

Had a tremendous year, outperforming all expectations, finishing top of the ladder from very consistent performances making the grand final, eventually going down to Devonport in a thrilling game 4-3 in the last period of extra time. Congratulations to all players for a great team effort as we will have nearly all players available again next year. Thanks to all parents who assisted with support and transport.

Glen Cock

SENIOR MENS

The Div 1 men had a superb year although not completing their goal for the year in winning a premiership. The team has had a great mix of youth and experience which was well lead by Towner. The most positive thing to come out of the year was that our younger players took huge steps forward. The improvement in their own ability and the belief in other players within the team were fantastic to see. Another thing that is starting to reappear within the Div 1 men is unity and friendship between the players off the field which is a major factor in successful teams of the past. Something else that really improved was the ability to score goals; it has been a number of years since we have scored 80 goals plus in a season. Our defence was the quite achiever as in being solid and just doing the job required. Hopefully in the year to come our senior members of the team can keep on passing their knowledge onto the younger players which in turn will pass on in time.

The Div 1 men would like to congratulate the A Reserve women, Under 13 White, Div 3 men and Div 2 men on winning their respective premierships. Also the other teams in making their finals. With all teams competing in the final series it looks like the club has a very bright future which is fantastic.

Thanks Putty

UNDER 13 RED AND WHITE

Created a little bit of their own history by playing each other in the Grand final. A first for the club. Both teams had wonderfully even performances finishing 1st and 3rd on the ladder with some great games through out the year against each other. The Grand final was a brilliant game with the game going down to the last lot of drop off (5 players per team) and 2 minutes remaining before a result could separate the teams with white successful. The wonderful rapport that all the kids showed to each other throughout the year was of great benefit and pleasure to the

coaching and support crew. Well done kids on something really special. Congratulations to Michael Symonds on his win for a 2nd year in the association Under 13 Best and Fairest

UNDER 15

I would like to congratulate the team on their efforts and dedication throughout the 2003 season. As a team we went one further than last year in making it to the grand final, unfortunately there can only be one winner, but all players need to be praised for their determination on the night.

As a club who believes in 'bleeding' in the young ones, unfortunately this year because we had a team of 15 we were unable to do that, however this shows the high level of junior development the club has obtained.

Once again it was pleasing to see our team combination of male and female competitors, as it shows the spirit in which the game should be played and the commitment the juniors have to red and white.

Thanks and appreciation to the parents and supporters for their assistance throughout the 2003 season and I would like to wish everyone the best for the 2004 season

Tony Lamprey
T.W.B.U.M

DIVISION 3 MEN

Well done guys, four premierships in a row. A tremendous effort especially as we found it hard to field a settled team all year. Records show that we had over 36 players during the season with many of these polling votes in the best and fairest count. We had three first year players who often pulled us out of the proverbial ---- with their determination to succeed.

At the end of the home and away series we finished equal top with South Burnie but once again we were beaten in the semi final by them and had to make it to the final the hard way (no problem).

At the start of the grand final we settled quickly and had a goal on the board after 10 minutes, then followed it up with another one just before half time. After the break the heavens opened and covered the ground with an inch of water making scoring very difficult. During the second half our defence was under constant pressure with the ball in our defensive area most of the time, but we managed to keep South Burnie scoreless resulting in a 2-0 win to us.

Captain Wils who planned to retire at the end of last year had the position of captain thrust upon him before the start of the opening roster game. He is now expected to return next year and lead the troops in defence of another title.

Coach Chris.

Milestone Games

Congratulation to the following players who chalked up Milestone games through out the year

Brett Rowsthorn - 500
Craig McCarthy 400
Ricky Barrett - 300
Chris Anderson - 300
Jodi Gardam - 200
Deb Kitic - 200
Geoff Hyland - 200
Iain Cameron - 100
Amanda Long (Goalie) - 100
Kim Lyons - 100
