

Welcome to our annual dinner & trophy presentation.
We wish you a fantastic night & thank you for what has
again been a wonderful year both on & off the field.

A BIG thank you to our sponsors for their support in
2005. Their financial assistance has allowed us to
continue making the cost of our game as low as
possible. Please support them as they do us.

PRESIDENT'S REPORT

To our patrons of City Marians Hockey Club, Mrs Kenworthy, Mrs McCarthy, Mr Cameron, Life Members, fellow members of the committee, to our new and seasoned players, supporters and special guests - I would like to take this opportunity as president to thank you for attending our annual dinner for 2005 and wish you a most enjoyable evening.

I would like to acknowledge the dedication, hard work and direction achieved by the committee members and the support given to myself from all members of the club that has allowed me my second term as president and my continued involvement with my greater family City Marians.

For me the season has been interesting, challenging, busy and very rewarding as with other committee members who volunteer to pick up other roles and responsibilities. I found myself on the committee of McKenna Park, a challenge in itself, plus throw in some BDHA meetings, coach of the A Grade women [first year in and premiers memories that I will treasure for ever] fill in coach for A Reserve, playing member for the Division 3 team, some umpiring roles and a few games of hockey to watch for the week, some fundraising, sponsorship and contacts to follow up on, not to mention the harassment from the treasurer who under trying times has done a marvellous job again this year.

I would like to remind the members that the committee continues to meet monthly and at the top of our agenda will be the appointment of coaches for season 2006 your input would be greatly appreciated. Those wishing to volunteer their services should contact a committee member or myself. Please mark your calendars for our AGM to be held on the 24th of January 2006 at McKenna Park at 7.00 pm where the financial report and election of office bearers will take place. Nomination forms for the committee are available tonight and when completed please forward the form to Allison Lamprey.

I would like to acknowledge the work of the social committee for keeping us entertained this year, especially with the inclusion of functions this season for the juniors like the night at the cinema, a good time had by all. I hope with your support this committee continues in 2006.

PRESIDENT'S REPORT...Continued

On behalf of City Marians I would like to acknowledge and express our sincere thanks to the following sponsors for their continued support.

Cleaning Wizard	Ian and Shirley Gillam
Dial Motors	Tony and Allison Lamprey
Burnie Veterinary Centre	Dr. Roger Topping
Burson Auto Parts	
Russell-Smith Electrical	
Maltec Engineering Pty Ltd	Lindsay & Kelly Malley
Burnie Print 'n' Design	Brett and Jo Kershaw
Groves Earthmoving	Shane and Stacey Groves

It is with much pleasure that we can announce a new sponsor for both Div 1 and Div 2 for season 2006 - MST JobNet for Div1 and Emeste for Div 2. Emeste is a new restaurant set up by MST JobNet to train the unemployed in the hospitality industry.

ON THE TURF

City Marians fielded eleven teams again this season. With an increased level of support and player numbers shown by the women's divisions we had excellent numbers to play all season much to my relief as I had earlier thought of having to shut a division down due to low player numbers and rising costs.

On behalf of the committee and players I would like to express my sincere thanks to the following coaches who gave freely of their time to pass on their knowledge and skills there by ensuring all eleven teams played off in the finals a feat not achieved by any other local club.

• Craig McCarthy Marty Bissett Leon Goninon	GNL Men	Finished 3 rd
• Keith Lancaster	GNL Women	Finished 4 th
• Allison Lamprey	Div 2 Men	Premiers

PRESIDENT'S REPORT...Continued

Special thanks must go to Ricky Barrett who took on a greater role of coaching the juniors this season with Glen Cock. Also thanks to Jill Cock and Allison Lamprey and members of the GNL men who assisted when required throughout the season at trainings.

Thank you to the parents of our junior members for your assistance given whether it be for transport to other game venues, fundraising activities or just support and encouragement of all our junior members. It is always pleasing to see so many supporters on the side line cheering the teams on.

Thank you to Petrina for producing the monthly newsletter, always informative and a great read and for producing tonight's publication.

Congratulations to the following players who were selected to play in State Teams this year:

Steven Cock	Under 21
Adam Lamprey	Under 18
Jake Archer	Under 16
Anna Wainwright	Under 15
Michael Symonds	Under 15

In closing, I would like to thank all supporters, members and players for their encouragement both on field and on the sidelines. This is what makes our club the success it is today. With this continued support we can look forward to another successful year for City Marians Hockey Club in season 2006.

Geoff Hyland
President 2005

TREASURER'S REPORT

Well I've now been in the job for 3 years and can say it has been most enjoyable. A real eye opener to begin with, especially when you realize just how much money it takes to run a club the size of City Marians.

My thanks must go to the many turf fee collectors, without whom the job would be so much harder, and to the players who put subs in envelopes with their name on it. Also, my thanks to the hard working committee who secured sponsors for our club. Without the generous contributions from our sponsors we would not be in the sound financial position we are in. So many thanks to each and every sponsor.

Our fundraising this year was very good, a very successful cake stall, chocolate sales, wine sales and vote count night where Balt raised \$500 to have his beard shaved off. A sacrifice not many would make.

I thank you all for the support and help given to me while I have been treasurer.

ELLIS LAMPREY SUPPORTERS AWARD

Dedicated to Ellis, this award illustrates as a club the importance of our off-field supporters as well as the players.

Ellis was involved with the club as a player in the 'City' days and returned when his boys joined C.M.H.C. in the early 1980's. His role in the club involved being a player, attending club meetings, representing the club, and Tasmania at State level (being the oldest player to represent State) and he donated a car to the club to assist with paying off McKenna Park debt. He was a mentor to players like David Guest who has since represented Australia, not to mention the many he has had a quiet word with regarding an aspect of their game.

To those who did not have the privilege of knowing Ellis, please ask someone who does, as they are bound to have a story to tell regarding Ellis and the 'red & white'.

His commitment to and love of the C.M.H.C leaves the recipient of this award to be commended on their support of our great club.

COACHES' REPORTS

DIV 1 MEN

First of all, I would like to thank all the players in the squad for putting in through out the whole year. I would also like to thank Porky for stepping in as bench coach and making life easier for Marty and myself. Although the season finished in an abrupt and disappointing way the side showed that on its day it was more than capable of being the best in the competition.

One positive to come out of the season is that the younger players that have been fighting to earn a spot in the team are really starting to prove themselves with some excellent games under pressure. Another positive is that they have what it takes to cement a place in the side in years to come, which will be fantastic for the side and also the club.

In finishing, I would also like to congratulate the coaches of the junior ranks for doing such a fantastic job with the younger players by making them more ready and capable of stepping up into the senior level.

On a personal level, I would also like to thank all the people who when asked, helped me make some tough decisions over the past few years.

COASTAL WOMEN

We had a very early start to training. Due to roster changes we did not start playing till six weeks later than expected.

For all of the season we were fighting for second or third position on the ladder. Eventually finishing in third, we had to play Devonport and on the day were not good enough.

We were the only club in the association with an excess of players to choose from to play in the coastal team. The future of the coastal women's team is looking good with four players under seventeen in the senior squad.

Thanks should be given to Glen and Jill's Cock for their work with the juniors. Without Glen and Jill efforts we would not be looking at such a good future for the club

Keith Lancaster

COACHES' REPORTS

A-GRADE WOMEN

Who ever said a coach's role is a difficult chore obviously didn't have the pleasure to be associated with the girls of A grade City Marians.

The fact that the club could not find anyone willing to coach the girls at training didn't deter most of them from rocking up to training on the Tuesday nights developing friendships and team bonding essential for all winning teams.

On game days the girls were always encouraging and supportive whether on the bench or where they were placed on the field and were rewarded by finishing on top of the ladder. The girls went on to win the premiership for 2005, a feat not achieved since 1998.

My thanks to Janine and Ally who came up with the players list every Thursday night.

Congratulations and thank you girls on a memorable and rewarding season. Hope to see you all next season to defend the title of PREMIERS.

Geoff Hyland

DIVISION 3 MEN

This year once again the Division Three struggled to field a settled team, mainly due to injuries and work commitments with weekly numbers ranging from 9-16.

Even after playing eight draws during the season we still managed to finish in 2nd spot on the ladder, before losing to West Devonport in the grand final.

Considering the age of some of our senior players the support given by our juniors and new players was much appreciated.

Hope to see everyone again next year

Mrs V

COACHES' REPORTS

A RESERVE

A Reserve came terribly close to pulling off the double in the women's competition this year, and I'm sure if we can keep the backbone of the team together can go one better next year.

At the start of the season and through the year we were in the unusual situation of having a large pool of players almost every week, which allowed the rotation of a few of the more senior members as the legs began to tire.

This came about due to a few new faces and one or two more experienced recruits. Part of the secret for the teams success this year is due to the large numbers at training, which I'm sure would've been even more fruitful had the coach been able to pay them a little more attention on training nights. Keep it up! Across the year everyone made some very valuable contributions and too many to list here, but I must make mention of our best and fairest Claire Symonds, who is a great young talent and will go a long way - her mum has obviously taught her a thing or two.

Thanks to Towner, Geoff and Brooke for helping out with coaching when I wasn't available and to Ali and Janet for keeping track of the administration. Lets hope we see you all back next year, whether its in the Reserves or higher up, and hopefully we can go one better.

Luke Sayer

COACHES' REPORTS

JUNIORS...our future

The club had five junior sides this year, an under 18 side plus two teams in the under 15 and under 13 competitions. All the teams participated in the finals with the club gaining two premierships in the under 18's and under 13's, and one under 15 side finishing runners up.

This surely proves that our juniors are at the top and a great deal of congratulations must go to all coaches and managers who gave such great support and advice to such a diverse group of boys and girls who not only demonstrated some new skills but also some excellent sportsmanship and maturity beyond their years. The club's future is very promising and if we can keep developing juniors with a strong team of coaches like Jason, Iain, Luke, Trudy, Ricky, Steve and Glen have done this year.

Thanks to Jill and Ally who did a great job as manageresses and to others who at times have coached and managed. But to maintain this it will require a dedicated group next year and let me assure all of those thinking about coaching juniors it is a rewarding and enjoyable job to undertake.

Jill and Glen
Junior Coordinators

UNDER 18

2005 was a fantastic year for our under 18 team. With a slow start to the season consistency was a problem and it took a good part of the year to string together a few wins. To the players credit, form was reached at the right time of the year and the best possible result was achieved by taking out the premiership.

A thank you must go to the players filling in for the team on a regular basis, and a special thanks to Ali Lamprey for her support and management.

Jason Trevarthan

COACHES REPORTS

UNDER 15 RED

The Reds were a great bunch and showed plenty of improvement through the year - but most of the credit there must go to Glen and Jill and their helpers at training. The team had their moments during the season, and most of them are young enough that it will prove very valuable experience for next year.

A couple of times they had eventual premiers South Burnie right on the back foot, but lacked the depth to keep it up for a full game - and even gave City White a few scares as well. To reach the finals was a really good performance, and had luck been with us we could've probably gone on for another week. I can say without doubt that ever player improved their game during the season, and if they can continue the same progression next year it will set the club up for many years to come.

Thanks especially to the parents for their support during the year, and farewell to those who will be moving up into the U/18s full-time for season 2006.

Finally - James and Daniel, stop flicking water at each other!!!

Luke Sayer

UNDER 15 WHITE

Well, I would just like to start by saying a big congratulations to the team on all your efforts this year.

From a coach's point of view, your attitude towards Trudy and I, your team mates and most importantly the way you all played, showed why we were such a great team this year. Well done on your achievement in making the grand final, we were unlucky not to jump the last hurdle. I wish you all luck for next year.

A big thanks to Trudy for being there every week helping on the sidelines. Also thanks to, Glen, Jill and Allison for their help on those cold Friday nights. I shouldn't forget the mums, dads and the supporters', thank you also. I am glad to have had the opportunity, its something I have really enjoyed.

See you all next year.

Iain Cameron

COACHES REPORTS

UNDER 13 Red

A wonderful season by the red side was shown by the fact that they finished top of the ladder and minor premiers. Unfortunately we lost the grand final to the other club side, white.

All of the red side had an improvement in skills and this was very evident in the new juniors playing full field hockey for the first time.

Congratulations for the reliability and punctuality of the team, it must be a shared credit to the players and parents for arriving on time in the right gear and making the job of coaching so much easier.

Many thanks Guys and Gals,

Glen.

UNDER 13 White

City Marians U/13 White team had a challenging season in which we were always chasing our U/13 city Red team's tails. City White had a strong core group of players which our up and coming players could learn from, this allowed a number of players to improve immensely.

One player I was most impressed with and who took out the coach's award is Kayden Dick, our goal keeper, who with no previous training looked like a seasoned keeper, I hope he keeps it up because the sky is the limit for him as a keeper.

With improved form and players gaining in confidence we went into the final series in second spot but were beaten by City Red and had to play in the preliminary final against South Burnie, we won and earned the privilege to play City Red for the premiership.

The grand final was tight with the White side playing a tremendous game and eventually winning 3 - 1 and receiving those elusive premiership medals.

Well Done Everyone and THANKYOU for a great season.
