COVER BY – CADEL BARRY

## ***Presidents Report***

---

Congratulations to all who took part in season 2015! We were once again able to field 9 teams in 8 divisions, with the additional team in the Under 13 division

At the completion of the home and away series, 6 of our teams competed in the finals series with 2 sides playing in a grand final. We were able to secure the Division 2 Mens premiership with a great 6-2 win!

Our season got underway again early in March with the holding of our 'Super Skins' competition at McKenna Park. The competition was organised to bring teams from around the state to compete as a pre-season hit out with some great prize money up for grabs for the winners. It was again a great success with more teams coming this year to take part in the weekend tournament

This year saw our club once again participate in the Anzac Day Memorial Service commemorating the 100 year remembrance since the landing at Gallipoli, by joining in the march to the Burnie Park

The club can only field teams by having people that raise their hand to assist with coaching, team managing and organising. It was great to see some of our players step forward to take up these roles of coaching our teams, and I wish to extend a great thanks to our coaches: Mens – Craig McCarthy; Div 1 Women – Nicole Symonds; Div 2 Women – Ricky Barrett; Div 3 Women – Luke Sayer; Under 16 – Ricky Barrett and Matthew Cameron; Under 13 White – Jason Birtwistle; and Under 13 Red – Fiona Jackson and Stacey Groves

To our club supporters of which we have many that come along and support our teams regardless of where we are playing. I say thank you for giving our teams that much appreciated support

As a club we extend a big thank you to our sponsors! Without their financial support we would not be able to keep our costs associated with playing hockey as minimal as possible. Our sponsors for this year have been: *Cars-R-Us, Island Engineering Supplies, My Jewellers, Bolands Pharmacy, Maltec Engineering, Zekt and Svelto Logistics*. It would be great to see some additional sponsors come on board for 2016

Ensuring that our club continues to operate brings me to our great committee. We have had some new people join the committee this year which is very encouraging for the future. It is always great to see new people put their hand up to assist in the running of the club. Without this committee, we would not have a club that is so great! The running of the club is a 12 month commitment and the committee members give up much of their time to ensure that the administration side of operating such a large club functions at all times. My thanks is extended to each & every one of you

This year again saw some of our juniors selected to represent the North West in the intrastate tournament, and also to our players that tried out and were selected to represent our state in their respective age groups. Congratulations to you all! Our juniors are our players of the future and we should be encouraging them through all aspects of their game

I wish to extend my congratulations to our players that reached milestone games in season 2015. Well done and here's hoping that you still have many more games in those legs

Finally to our players and those that put their hand up to umpire, thank you for your contribution throughout the playing season. Without you, we do not have a game

I congratulate all our award winners for 2015 and also to our teams for a great effort this year. Let's make 2016 our year

It has been an honour and a privilege to be the President of this great club for 2015. Go the bloods!

President,

Robert Cameron

## ***Treasurer Report***

---

I'm sure we all feel like this when it comes to paying our \$10 a week to play and \$210 in subs (seniors), I mean why do we have to pay so much?

In broad terms...

- ◆ The club pays \$40 per hour for half the ground to train to McKenna Park.
- ◆ The club pays \$87 per game for each game to McKenna Park/Launceston/Devonport/Smithton.
- ◆ The club pays over \$10,000 a year for team fees/insurance to Hockey Tasmania, so basically we set the fees to try and cover costs. The club doesn't set out to make money, only to cover necessary costs.

A BIG thank you goes to our generous sponsors this year as without them, we would need to set the playing fees and subs at a much higher rate.

This year has been a little tighter money-wise as we did not have the support of two sponsors who, due to circumstances beyond our control, pulled the plug on their sponsorship. We are on the look-out for a couple of replacement sponsors.

We organised the Skins Tournament and chocolate selling (an easy way for me to gain a couple of kilos in 2 weeks), which both raise funds and we also held the vote count and a successful lip sync night, which once again, only covered costs.

Thank you to the Committee and other club members for their hard work, and to the "Money Collectors" who collect up the money each week and pass it on.

Tracy Saward

## ***Club Awards 2015***

---

### **ELLIS LAMPREY SUPPORTERS AWARD**

Dedicated to Ellis, this award illustrates as a club the importance of our off-field supporters as well as the players.

Ellis was involved with the club as a player in the 'City' days and returned when his boys joined C.M.H.C. in the early 1980's. His role in the club involved being a player, attending club meetings, representing the club, and Tasmania at state level (being the oldest player to represent state) and he donated a car to the club to assist with paying off McKenna Park debt. He was a mentor to players like David Guest who has since represented Australia, not to mention the many he has had a quiet word with regarding any aspect of their game.

To those who did not have the privilege of knowing Ellis, please ask someone who does, as they are bound to have a story to tell regarding Ellis and the 'red & white'.

His commitment to and love of the C.M.H.C leaves the recipient of this award to be commended on their support of our great club.

***The Ellis Lamprey Supporters  
Award***

TAMRYN GONINON

***Donated by  
The Lamprey Family***

### **MOLLY COCK AWARD**

Molly was a great supporter of hockey and the City Marians Hockey Club, and was a patron at the time of her passing. She would brave all weather to watch not only her family, but all teams particularly the juniors, giving encouragement to all.

***The Molly Cock Award***

CRAIG McCARTHY

***Donated by  
Glen & Jill Cock***

## **FAMILY AWARD**

Awarded to a family seen as making a contribution either on or off the field.

***FAMILY AWARD***

EVANS/ABEY FAMILY

***Donated by  
North West Mowers***

## **CLUB ACHIEVEMENT**

This award is not presented lightly as it is recognition of a fantastic effort put in by someone, whether it is on or off the field. The award recognizes that the recipient has put more into the club than any other individual in that year.

***Club Achievement***

RICKY BARRETT

***Donated by  
The Club***

## **MOST POTENTIAL**

This award is recognition of outstanding talent. The recipient is a player that is seen as having the potential for a great future in the game.

***Most Potential Women***

MIA COOPER

***Donated by  
The Club***

## ***The Committee***

## ***Coaches Reports***

---

### ***Division 1 Men***

---

First of all I would to thank each individual player within our squad for their efforts throughout the entire season, which started with preseason training back in January at McKenna Park. Once the season began all players applied themselves very well to the task at hand and wore the club colours with pride. Although our first couples of games weren't at the standard we had set ourselves, we continued to work hard and persisted with what we were trying to achieve, as a few more games past the results began to come.

With different challenges thrown at us during the middle part of the season with such things as players being unavailable for various reasons, we continued to work hard on the process that we had set at the start of the year. With that in mind I think our club is in a fantastic position because no matter who I called up to fill a void (I must say nearly always on short notice), they were able to slot in to our team structure and accomplish what we were trying to achieve. During this period of the season our presence on the ground began to grow and we started to show other teams in the competition what we were capable of.

As the season flowed on our team became more settled with all of our players becoming available which in turn made decisions on a team line up very hard and caused some headaches, having said that it is a very pleasing position to be in and a great outlook for our club. I would like to make a special mention to Kyle Wescombe who very graciously put his hand up to become our FI, just another example of what our club means to everyone involved in it.

As we started to get towards the business end of the season I put the pressure on each individual player to focus on what they could control within the game and not be distracted by things they can't control, such as umpiring and the opposition. The other main thing for the players to concentrate on was to get to as many contests as possible, even if they thought they physically couldn't and to their credit they successfully achieved this which made me very proud as a coach. Although the season didn't end the way that any of us would have liked I'm very pleased and I'm proud of the way they conducted themselves right up to the final whistle.

Finally looking back at the whole season and looking at the guys within the squad and the very promising juniors coming through, I think our club is in a sensational position to push for premierships in the near future and for years to come.

Putty

## *Division 2 Men*

---

City's Division Two men finished up the season in the best way possible with a flag. But, it was a very up and down year for the side, struggling for numbers throughout the season and only putting a full side together at the end of the year, for the finals series.

The lack of players saw some of the juniors become regulars in the starting line-up, with Cameron and Lachy Barry, Luke Braslin and Drew Barrett all improving their games significantly during the season.

The team had varied results through the front end of the season, challenging the top teams but losing a couple of key games due to being short on numbers and the ability to play a full 70 minutes of hockey.

The dedicated backbone of the side, including Ray Howe, Jansen Grubb and Rob Cameron, saw the men make it through to the finals and one more win could have seen a top two finish.

Adam Lamprey played a key role through the season and was rewarded with the Best and Fairest honours, with Iain Cameron close behind as runner-up.

Come the business end of the season and the Bloods spirit came to the fore. A strong performance in the first semi-final saw the team come together well to defeat Smithton. They backed this up in the preliminary to get up over a fast-starting West Devonport. This earned the team the chance to face up to South Burnie in the Grand Final, having not been able to get a win over the Hawks all year. The game was one of the more memorable encounters between the two clubs in some years, with South throwing everything at City in the first half, going to the break one goal down after Kerry Davies slipped one by the goalie.

Drew Barrett and Lachy Barry opened up the lead to three in the second half, before South fought back to narrow it to just one goal.

But the team rallied and with three more unanswered goals took a well-earned victory. Kyle Wescombe put in a top effort throughout the game, with strong performances from Adam Lamprey, Jamie Vandenberg, Iain Cameron and Jason Birtwistle.

## *Division 3 Men*

---

Another season draws to a close, again I can't believe how quickly it has disappeared.

For the 'Wednesday Night Warriors' this team was quite a challenge with lack of numbers and experience making success on the scoreboard few and far between.

After a few rounds however, it was clear that this season was not to be a waste as week after week individual performances improved. Positions were shifted throughout the year as we began to realise the best positions especially for some of the junior members.

Throughout the season there were many times where the players could easily have dropped their heads, given up and not cared. However to the credit of the team, week in and week out they gave it their all, learning more about the sport, their position and the team mates around them. Always pushing and giving it their best. This led to an improving side which by the end of the season had some close and hotly contested games where the result could have gone either way.

I look forward to another season and hopefully more improvement and some increased success in 2016.

Up the bloods!

Curtis Goninon

*Div 1 Women*

## *Division 1 Women*

---

The 2015 season began this time last year. I was approached by Trudy to be the playing coach and I jumped at the opportunity with unwavering enthusiasm. I felt that our previous season (2014), had positioned the team as a strong contender for the flag.

Recruiting was the first task and it started early so we didn't miss out. The club welcomed Clara Morf from Latrobe and Isabel Di Tommaso from Hobart. While closer to home saw the return of Twink, Lisa and AJ into more prominent roles for the team. Preseason began at McKenna Park in the New Year under the watchful eye of Bronwen. A good turnout weekly assisted to boost hopes of the pending season.

All seasons have their ups and downs and I feel our season can be summarised by three key events.

Event 1: Sometimes we are dealt a reality check in life. For us it was in the form of a 5-0 loss to West Devonport. The coaching crew and leadership group knocked heads to try and develop a way to become competitive against 'the team to beat'. This saw Lauren take on a striker role and Brooke the main defensive role, to allow myself and Romani to hopefully control the central channel in a sweeper role.

Event 2: Barriers... Ours came in the form of injuries. Petrina's new "super grippy" turf shoes proved too grippy as she fell to the ground with a season ending knee injury. Rom continually tackling with her head resulted in hospital trips and Mon's shins had had enough. To top it off I copped a smack in the smooch.

Event 3: The high for the year, for old and new players, was beating the second placed Burnie Baptist. We were the underdogs but after a rousing speech and pride on the line we came out with the win.

That was the season. It ended all too soon for everyone, as always, but it has left the lingering feeling of what could be next year. Congratulations go to our state reps, Rom and Mia. Also to Twink for a consistently strong year on the field resulting in the Best and Fairest and her excellent enthusiasm off the field. A big thank you to all the girls involved in the team this season and a special thanks to Janine. Be proud of our club and our team. You deserve to be!

Nicole (da Boss)

## *Division 2 Women*

---

The 2015 season began with a hope of optimism to go one better than last year and to bring home the Premiership Flag! Training during the year was great with big numbers turning up from both Div 2 and 3 Women's teams, which meant that it was a big squeeze to fit that many ladies into half a ground. This turned out to be a bit of a god send as throughout the season our Div 1 Women lost players to injury and needed to draw on players from our team, which allowed players from lower divisions to gain valuable experience at a higher level. However, this was like a revolving door with players coming in and out of our team making it hard to have a settled line up, but also allowing some of our older experienced players to play enough games to qualify for the finals and boost the younger girls playing in this grade.

I would like to thank the girls for putting up with me and at times of hardship there was a voice always saying "it'll be okay Jibba" and filling me up with lollies to keep me quiet when I didn't agree with some of the things we were dealt, (Thanks Dougie as the lollies took a beating at times).

During the year we played well and finished 3rd on the ladder and things were coming together leading into finals. There was a positive vibe throughout the team, when we played South Burnie in the Elimination Final and beat them things really looked good. Next we played Devonport in the Preliminary Final in Devonport, during the year we had tight games with nothing much separating us and this was the case again with scores locked 1-1 at the end of the game! Scores were still level at the end of the Golden Goal drop off and it came down to 1 on 1 with the goal keepers. Mia Cooper was first up and under immense pressure she put the ball in the back of the net. Janine asked me what I wanted her to do, so I told her to "save them all" and she did exactly that! After another three 1 on 1's we won that game and got the chance to line up in the Grand Final. The Grand Final wasn't our best game and it didn't help that the silly coach was away for the most important game!

I would like to say a big thank you to Trudy French and Twink for filling in for me and trying to finally beat Burnie Baptist for the 1st time this season. After playing off in the Grand Final we were again relegated to 2nd going down with a score of 4-1, our lone goal coming from Tailey with a snazzy little shot I'm told. A big, big thank you to all who played, as you made it easy for me to coach and try different skills and game plans. Thank you to Dougie for organising players each week as no one knew until Thursday nights who was playing where. I would also like to thank all those players who came back during the year to help us out. I thought we had a great mix of experience and youth and hope you all turn up next year so we can achieve what we all deserve, a Premiership Medal. Congratulations to Fiona Jackson who won Div2 Women Best and Fairest and a great effort by Lillian Gates who was the Runner up. Finally, I would like to finish by thanking our supporters and those who helped out during the year. I look forward to going one better next year.

Things look great for the future.

Jibba

## *Division 3 Women*

---

The Division Three team began the year with plenty of promise and some new faces joining the side, along with a few stalwarts, and a great mix of ages.

Finding a balance for the side took a while, and the ups and downs of illness and injury throughout the season caused a few headaches.

The team performed well every week, and had some very close matches challenging all teams on occasions, to finish the season with five wins and two draws.

Finals time saw a strong performance to get over South Burnie in the semi-final, and a great effort to push Penguin to the limit in the preliminary final. The side went down in extra time, but put up an impressive fight.

Congratulations to Veronica Whish-Wilson for her return to the sport, rewarded with the Best and Fairest award, and chief goal scorer Fenella Pinner who came in runner-up.

While the regular coach faced a few challenges getting to games his assistants stepped up to keep the team on track for the season. Thanks to Janine for her organisation of players every week and to Tracy and Fiona especially, and everyone else for assistance in coaching.

TWBUM - Lucky

## *Under 16*

---

Firstly, I would like to congratulate all players and their families for a great year. While the team had a mass exodus of older players from last season and an influx of new players, all games were played in the right spirit and to the upmost of our ability. Training was good with a core group of players always turning up every week, rain, hail or shine! Leading into the first games we were underdone as far as Turf training goes and this really showed, but as more players turned up to training our results began to turn around. We were able to get wins over Devonport, South Burnie, and West Devonport, but unable to beat yard sticks Smithton and the two Burnie Baptist teams. Even with these results we improved immensely over the season and just missed out on a finals berth, finishing 5<sup>th</sup> overall for the season.

Normally I don't single out individual players but I would like to Thank Jacob Bonney for stepping into the goalie position for the season. He had a great year and received the Coaches Award.

Congratulations also go to Jack Colegrave who also had a great year and received the Most Improved Player.

The Under 16 Best & Fairest went to Drew Barrett who showed great skill and commitment over the season and always chased the ball down. Lachie Barry was Team Captain & Runner Up and also had a very good season. To finish, I would like to thank Matty Cameron for giving me a hand to coach, as with 16 players most weeks it was a handful to try to get everyone on and off the field, so without him I would have ended up bald and going around the bend! I'd also like to thank Craig McCarthy for filling in at training when I was away due to work commitments and my wife Kim for doing the bookwork, as well as all the parents for running their kids to all the games and training, especially in inclement weather.

Thanks once again to all the players, it was a great privilege for me to be involved with a great bunch of kids and I hope to see you all playing again in season 2016.

Jibba

*Under 16's*

## *Under 13 WHITE*

---

Well what a year we have had, from starting off at our first training with lots of excited and very keen kids who could not wait to get out on the turf for their first hit of the year, and for some their first hit ever. It was very pleasing to see throughout the entire season how very consistent all the kids were in coming along to training to learn

I would like to congratulate all of the players from City White and City Red on the way that they trained and played each week, it is very pleasing as a coach to see how they conducted themselves

City White have come a long way this season, we had a really good mix of some experienced players and some players that had never played before. We started the season out with a win in our first game, and had some big losses against the more experienced sides, but as the season progressed the kids learnt so much about the game and started to play some really good hockey. The older players of the team were really great with the younger players and helped them so much which they need to be commended on. As we got closer to the end of the season we started to take it up to the stronger teams

Finishing 4<sup>th</sup> on the ladder meant we would be playing in finals, it was pleasing to see the kids were so excited with their smiles and happiness. Our first final was against City Red making it hard to come up against your own club and friends. The game was played very fast and hard and City White had a lot of determination and want to win which they did, there were plenty more smiles as it meant they got to play in another final. Unfortunately we lost to Burnie Baptist, not putting everything together on the day as we had the week before, they worked hard all game and kept the pressure on Baptist, 2-1 down with 10 minutes to go, unable to get it past the keeper & eventually losing 4-1. The kids will learn a lot from that game going forward with their development

Thank you to Romani Kenworthy for helping to coach, Romani was at trainings and the games each week and did a fantastic job helping to develop the kids skills. To Fiona Jackson and Stacey Groves for taking the trainings each week, and to Louise Gates for collecting the money. Also to all the parents for bringing the kids along to trainings and to the games week in week out

I am looking forward to next year, I hope to see all the players again and if you have any friends that would like to play please bring them along with you!

Jason Birtwistle

## *Under 13 RED*

---

It was wonderful to see we had a lot of children who wanted to play Under 13s, this giving us enough numbers to be able to again field two teams. We consistently had the majority of the players at training with everyone keen to improve their skills, these good training attitudes clearly helping both teams to make the finals!

This year we produced two Under 12 State Representatives in Mia Cooper and Zoe Groves, with Mia also making the Under 13 state team. We also had five players represent the North West in the annual tri-series, they were Mia, Zoe, Jaiden, Max and Zayna. A number of players also tested themselves at a higher level within our club, ranging from Division 3 to Division 1 Senior level hockey

We would like to thank all the parents for their help and support, it has been exciting to watch the children improve throughout the season!

We wish the players that are moving up to the Under 16 level all the best for next year, and also wish Mia all the best with her relocation to Hobart. The City Marians look forward to seeing all of you again next year!

Yours in hockey,

Fiona & Stacey
