

FUTURES PROGRAMS

PLAYING

The City Marians Futures group aims to identify juniors who may wish to play a high level of senior hockey now or in the near future and provide an encouraging and supportive pathway in their exposure to senior hockey.

Being part of the City Marians Futures Group may include:

- Being encouraged to attend senior trainings
- Further development of skills and hockey understanding at a senior level.
 - o through exposure to senior training,
 - o being buddied up with senior players to share feedback at training/games etc,
- Potential exposure to senior games, including bench observations and/or playing time.
- Open communication with players/parents and invitations to suitable senior activities and events.

City Marians welcomes players from external clubs without expectation of transfer, should their club not be in a position to provide higher level development.

UMPIRING

The City Marians hockey Club is committed to the ongoing recruitment, development, and retention of **umpires** at both a **junior** and **senior** level across all divisions.

Members fitting the following criteria are invited to nominate for the **JUMP** program (Junior Umpire Mentor Program)

To participate in the program, members must be: -

- Between 13-18 years old and capable of umpiring at an under 13 level.
- Commit to umpiring 4 games for the season.
- attend a local umpiring session facilitated by Hockey Tasmania.

Umpires will be paid a remuneration of \$10 per game. Payment will be in cash form and distributed the following week.

If you think these groups may be suitable for you, please be sure to speak with our junior coordinator.
