

UNIFORM POLICY

All players must wear their club colours with pride and honour the club name. All players regardless of grade will play in their full uniform.

The only exception will be: -

- A white plain long-sleeved top may be worn under playing tops.
- Under garments such as compression shorts may be worn on legs if required but must be plain in colour, either black, white or beige.

The latest club hoodie is required as part of the game day uniform for all GNL players and is strongly encouraged to be worn by players in all other divisions.

Club polo shirts will be provided free of charge to all senior players 2021-2023. Condition of issue is that shirts are to be worn pre-game and for team warmups at a minimum. Shirts remain the property of the club and must be returned if registration is not renewed. Unreturned shirts will be billed at replacement cost.

CITY MARIANS HOCKEY CLUB
